

American Journal of ORTHODONTICS

*Official publication of The American Association of Orthodontists,
its constituent societies, and The American Board of Orthodontics*

Editors

B. F. Dewel, *Editor in Chief*

708 Church Street, Evanston, Illinois 60201

Earl E. Shepard, *Assistant Editor*

225 S. Meramec Avenue, St. Louis, Missouri 63105

J. A. Salzmann, *Editor of Reviews and Abstracts*

654 Madison Avenue, New York, New York 10021

H. C. Pollock, *Editor Emeritus*

8229 Maryland Avenue, St. Louis, Missouri 63105

Constituent Society Editors

Norman D. Allen, *Northeastern Society of Orthodontists*

650 Main Street, New Rochelle, New York 10801

Charles R. Baker, *Midwestern Society of Orthodontists*

1110 Austin Street, Evanston, Illinois 60202

Arthur H. Craven, *Great Lakes Society of Orthodontists*

909 Abbott Road, East Lansing, Michigan 48823

M. Duke Edwards, *Southern Society of Orthodontists*

234 South Hull Street, Montgomery, Alabama 36104

Stephen C. Hopkins, *Middle Atlantic Society of Orthodontists*

4101 Cathedral Avenue, N.W., Washington, D. C. 20016

William R. Humphrey, *Rocky Mountain Society
of Orthodontists*

1232 Republic Building, Denver, Colorado 80202

William S. Parker, *Pacific Coast Society of Orthodontists*

2430 L Street, Sacramento, California 95816

John W. Richmond, *Southwestern Society of Orthodontists*

493 Brotherhood Building, Kansas City, Kansas 66101

Subject index

A

- Age, chronological, calcification pattern of developing permanent dentition of *Macaca nemestrina* monkey as related to, 532 (Abst.)
- Air Force cleft palate team gives Puerto Rico course, 420
- Alveolar bone deposition in orthodontic tipping of teeth in monkeys, 198 (Abst.)
- American Association of Orthodontists, 171, 294, 370
 - annual meeting, 93, 203, 318, 404
 - advance enrollment at new high, 534
 - B. Edwin Erikson, W. M. Krogman, and Lowrie J. Porter win A. A. O. awards, 407
 - color TV and Spanish audio-visual programs to be featured, 408
 - committees, 296
 - delegates allocated, 95
 - dental school educators play leading role in program, 405
 - features foreign orthodontic authorities, 405
 - Ford W. Stevens to tell role of generalist in dental practice, 408
 - Grand Bahama postconvention program, 309
 - HEW assistant secretary to give A. A. O. keynote address, 404
 - highlights, 404
 - other program events and features, 406
 - preliminary program, 171
 - registration of guests, 94, 204, 320, 420
 - table clinics, 96, 204, 308
- Audio-Visual Library (Reid), 80, 372
- Board of Trustees, 205
- Council on Public Health Service, 535
- councils and committees, directory, 327
- Foundation: purposes and objectives, 523 (Editorial)
- history (Shankland), 391
 - nearing final stage, 96
- Newsletter, excerpts, 95
- President's page (Reid), 80, 294, 370
- Research award winners announced, 409
- trustees and delegates hold annual meeting, 406
- American Association of Dental Schools, panel discussion on continuing education in orthodontics, 430
- American Board of Orthodontics, 94, 205, 320, 428, 534
 - historic milestone, 410 (Editorial)
- American Dental Association acts on dues, ethics, education, licensure, and radiation, 99
 - announces high school student award program, 430
 - Edward A. Cheney re-elected to Board of Trustees, 105
 - guidelines for Medicaid, 541
 - membership reaches 111,120, 316
 - receives AFDE excellence award, 103
 - seeks clinical and scientific lectures, 206
 - session attendance sets record, 96
- American Fund for Dental Education, excellence award to ADA, 103
 - grants total \$170,561 in 1968, 103
 - makes second \$1,000.00 grant to fifty-two dental schools, 214
 - offers teacher-training fellowships, 211
- AMERICAN JOURNAL OF ORTHODONTICS, current changes, 84 (Editorial)
 - special June issue to honor Editor Emeritus Pollock, 522
- American Medical Association approves new general practice board, 430
- American Society of Dentistry for Children, 209
- American Society of Orthodontists becomes American Association of Orthodontists (Shankland), 391
- Analgesic structure—activity on series of dihydroanthracenes, 197 (Abst.)
- Anchorage factor in cuspid retraction, 305 (Abst.)
 - maxillary, during third stage of Begg light-wire technique, 92 (Abst.)
 - optimal force, differential force, and (Hixon et al.), 437
 - in orthodontics (Higley), 791
- Angle ANB reduction in severe Class II, Division 1 using Begg light-wire differential force technique, 90 (Abst.)
- AP line; diagnostic line (Williams), 458
- Appliance, Crozat removable (Smythe), 739

January, pp. 1-108; February, pp. 109-216; March, pp. 217-328; April, pp. 329-436; May, pp. 437-544; June, pp. 545-830.

Appliance—Cont'd

- extraoral, two types used with edgewise mechanism, cephalometric comparison, 195 (Abst.)
- functional correctors in treatment of Class II, Division 1 malocclusion (Fränkel), 265
- monobloc, modified, in sceliosis treatment (Roth), 506
- myofunctional; restitution of mandibular form after condylar injury in infancy (Coccaro), 32
- Pollock (Dukes), 734
- removable (Adams), 748
- stabilizing, effectiveness against orthopedic forces produced by Milwaukee brace in sceliosis patients, 529 (Abst.)
- therapy, fundamental re-appraisal of popular techniques with collective approach toward (Fogel and Magill), 705
- twin-wire, philosophy (Shepard), 688
- Associates and retirement in retrospect (Porter), 814
- Atkinson Library of Applied Anatomy (Pollock), 510
- Attrition and malocclusion in dentition of Shell Mound Indians of Alabama, 306 (Abst.)
- in pre-Columbian and Choctaw Indian populations, comparison of degree, 91 (Abst.)
- Australian Orthodontic Congress, fourth, 97

B

- Barbiturate responses in mice, structure-activity effects of substituted dihydroanthracenes on, 202 (Abst.)
- Begg light-wire differential force technique, reduction of angle ANB in severe Class II, Division 1 using, 90 (Abst.)
- technique; anchorage in orthodontics (Higley), 791
- evaluation (Swain and Ackerman), 668
- of changes in position of point A and maxillary central incisor during third stage, 90 (Abst.)
- of maxillary anchorage during third stage, 92 (Abst.)
- Begg Society, European, 427, 540
- Blue Cross starts New York prepayment plan, 101
- Brandhorst, Otto, to retire, 99

C

- Calcification pattern of developing permanent dentition of *Macaca nemestrina* monkey as related to chronological age, 532 (Abst.)
- Canadian Society of Orthodontists, 319
- Cephalometrics, computerized, evolution of diagnosis to (Ricketts), 795
- Cephalometric laminagrams, twenty degree oblique, and horizontal linear laminagraph, 530 (Abst.)

- Cervical traction, extraoral, to maxilla of *Macaca mulatta*, dentofacial changes produced by, 531 (Abst.)
- Cheney, Edward A., re-elected to ADA Board of Trustees, 105
- Chicago Association of Orthodontists, 215, 309, 426
- Chicago Dental Society, 207
- Child dental care, growing interest in, 100
- Cleft lip and palate, new concept in early orthopedic treatment (Rosenstein), 765
- Condylar injury in infancy, restitution of mandibular form after (Coccaro), 32
- Continuing education in orthodontics subject of panel discussion before A.A.D.S., 430
- Cranial analysis; primary role of functional matrices in facial growth (Moss and Salentijn), 566
- Crowding, lower incisor, physiologic recovery and, 82 (Editorial)
- Crozat removable appliance (Smythe), 739
- Crozat Study Club, 541

D

- Deep-bite; classification of skeletal facial types (Sassouni), 109
- Dental care for children, growing interest in, 100
- insurance program for ADA staff, 101
- service plans cover 1.4 million, 431
- Dentition, deciduous, treatment in (West), 617
- developing permanent, of *Macaca nemestrina* monkey, calcification pattern as related to chronological age, 532 (Abst.)
- growth studies (Moorrees et al.), 600
- Dentofacial changes, longitudinal, in untreated persons (Sanin, Savara, and Sekiguchi), 135
- and orthodontic stabilizing appliances; Milwaukee brace treated sceliosis patients, 529 (Abst.)
- produced by extraoral cervical traction to maxilla of *Macaca mulatta*, 531 (Abst.)
- by modified Milwaukee brace in *Macaca mulatta*, 418 (Abst.)
- deformities, surgical-orthodontic approach to treatment (Converse and Horowitz), 217
- development in children with vitamin D-resistant rickets, 418 (Abst.)
- Dewey, Martin, Memorial Award, presentation by Harry H. Sorrels, 424
- response by Walter E. Lipscomb, 426
- Diagnosis, evolution to computerized cephalometrics (Ricketts), 795
- Diagnostic facial triangle in control of treatment objectives (Tweed), 651
- line (Williams), 458
- Dihydroanthracenes, analgesic activity, 197 (Abst.)

826 *Subject index*

Dihydroanthracenes—Cont'd
substituted, structure-activity effects on
barbiturate responses in mice,
202 (Abst.)

Drills, air turbine dental, mediastinal emphysema produced by, 417 (Abst.)

E

Edgewise bracket, .022 by .028, evaluation of
friction forces in vitro, 201
(Abst.)

mechanism, cephalometric comparison of
two types of extraoral appliance
used with, 195 (Abst.)

Emphysema, mediastinal, produced by air
turbine dental drills, 417
(Abst.)

European Begg Society of Orthodontics, 427,
540

European Orthodontic Society, 319, 429, 534

Extraction, serial, prerequisites (Dewel), 633

F

Facial growth, primary role of functional
matrices (Moss and Salentijn),
566

types, skeletal, classification (Sassouni),
109

Fairbank, Leigh C., new Army dental clinic
dedicated to, 520 (Orthodontic
profile)

Films, concept, application of typodont
(MacCallum), 75

Force application to teeth, influence upon
tension development of mas-
seter and digastric muscles of
cat, 200 (Abst.)

differential; evaluation of Begg technique
(Swain and Ackerman), 668

friction, in .022 by .028 edgewise bracket
in vitro, 201 (Abst.)

heavy intermittent and light continuous,
comparative histologic study,
304 (Abst.)

radiographic study, 196 (Abst.)

-induced changes in vascularity of peri-
odontal ligament (Gianelly), 5

optimal and differential, and anchorage
(Hixon et al.), 437

stimuli, application to teeth, changes in
tension of masseter and digas-
tric muscles of decerebrate cat
elicited by, 199 (Abst.)

Friction forces in .022 by .028 edgewise
bracket in vitro, 201 (Abst.)

Functional correctors in treatment of Class
II, Division 1 malocclusion
(Fränkel), 265

matrices, primary role in facial growth
(Moss and Salentijn), 566

matrix and heredity; intrinsic and extrinsic
factors influencing growth and
development of jaws (Nepola),
499

G

General practice board approved by American
Medical Association, 430

Gingival fibers, free, effect of surgical trans-
section on regression of ortho-
dontically rotated teeth in dog
(Brain), 50

Gingivectomy, increased stability of ortho-
dontically rotated teeth follow-
ing, 527 (Abst.)

Gnathologic clear plastic positioner (Cotting-
ham), 23

Great Lakes Society of Orthodontists, 535

Group practice and partnerships (Jarabak),
804

Growth of condylar cartilage; effects of man-
dibular hyperpropulsion on pre-
chondroblastic zone of young
rat condyle (Charlier, Petrovic,
and Herrmann-Stutzmann), 71

and development of jaws, intrinsic and
extrinsic factors influencing;
heredity and functional matrix
(Nepola), 499

facial, primary role of functional matrices
(Moss and Salentijn), 566

mandibular, prediction of rotation (Björk),
585

studies of dentition (Moorrees et al.), 600

H

Habits; critical appraisal of tongue-thrusting
(Tulley), 640

thumb-sucking revisited (Gale and Ayer),
167

Hellman, Milo, Research Award, 409

Heredity and functional matrix: intrinsic
and extrinsic factors influencing
growth and development of jaws
(Nepola), 499

Hester, H. Curtis, named president-elect of
American Society of Dentistry
for Children, 209

Hillenbrand, Harold, tribute to, 105

Hine, Maynard K., named chancellor of
Indiana University, 96

Hyperpropulsion, mandibular, effects on pre-
chondroblastic zone of young
rat condyle (Charlier, Petrovic,
and Herrmann-Stutzmann), 71

I

Illinois Society of Dentistry for Children,
420

Illinois Society of Orthodontists, 318, 429

Implant method in prediction of mandibular
growth rotation (Björk), 585

In memoriam, Richard F. Counihan, 85

Deward D. Felcher, 86

Russel Hering, 87

Indians, pre-Columbian and Choctaw, com-
parison of degree of malocclu-
sion and attrition of teeth, 91
(Abst.)

Shell Mound, of Alabama, attrition and
malocclusion in dentition of, 306
(Abst.)

Injury, condylar, in infancy, restitution of
mandibular form after (Coc-
cero), 32

- Insurance, dental, new program for ADA staff, 101
 life, role in investment program (Treloar, Heisel, and Thomalla), 516
 International Congress on Cleft Palate, 95, 208, 317
 Investment program, role of life insurance (Treloar, Heisel, and Thomalla), 516

J

- Jaws, intrinsic and extrinsic factors influencing growth and development; heredity and functional matrix (Nepola), 499

K

- Keogh Act, deadline for 1968 benefits, 100
 King, Martin Luther, Neighborhood Health Center (Chicago), dental clinic dedicated, 206

L

- Laminagraph, horizontal linear, and twenty degree oblique cephalometric laminagrams, analysis utilizing implant markers, 530 (Abst.)
 Linguopalatal pressure in children (Proffit, Chastain, and Norton), 154

M

- Malocclusion and attrition in dentition of Shell Mound Indians of Alabama, 306 (Abst.)
 of teeth in pre-Columbian and Choctaw Indian populations, comparison of degree, 91 (Abst.)
 Class I, cephalometric description (Hitchcock), 124
 and Class II diagnostic facial triangle in control of treatment objectives (Tweed), 651
 prerequisites in serial extraction (Dewell), 633
 Class II and Class III, treatment in deciduous dentition (West), 617
 Division 1, reduction of angle ANB using Begg light-wire differential force technique, 90 (Abst.)
 treatment with functional correctors (Fränkel), 265
 Mandibular form, restitution after condylar injury in infancy (Coccaro), 32
 hyperpropulsion, effects on prechondroblastic zone of young rat condyle (Charlier, Petrovic, and Herrmann-Stutzmann), 71
 Mayo, Edward L., Memorial Fund established at University of Southern California, 206
 Medicaid, ADA guidelines, 541
 "watchdog" system expanded by New York City, 207
 Middle Atlantic Society of Orthodontists, 97, 426

- Midwestern Society of Orthodontists, 536
 Milwaukee brace, dentofacial changes produced by, in *Macaca mulatta*, 418 (Abst.)
 treated scoliosis patients, 529 (Abst.)
 Monobloc appliance, modified, in scoliosis treatment (Roth), 506
 Montana State Orthodontic Society, 540
 Movement, translational, of first deciduous molars into second molar positions (Mathews), 276
 Muscles, masseter and digastric, of cat, influence of force application to teeth upon tension development of, 200 (Abst.)
 of decerebrate cat, changes in tension when force stimuli are applied to teeth, 199 (Abst.)

N

- Nasal imbalance and orthodontic patient (Clements), 244, 329, 477
 National Association of Orthodontists of Mexico, 429
 New York City expands Medicaid "watchdog" system, 207
 News and comment, 93, 203, 308, 420, 534
 North East Orthodontic Study Group sponsors growth seminar, 540
 Northeastern Society of Orthodontists, 96, 308, 313
 excerpts from *Newsletter*, 422
 Norwegian Orthodontic Society, 317, 540
 Noyes, Harold J., receives Illinois award, 321

O

- Occlusion, forecasting; longitudinal dentofacial changes in untreated persons (Sanin, Savara, and Sekiguchi), 135
 Officers of orthodontic societies, 108, 216, 326, 436, 544
 Open-bite; classification of skeletal facial types (Sassouni), 109
 surgical-orthodontic approach to treatment of dentofacial deformities (Converse and Horowitz), 217
 Orthodontic challenges as seen by constituent society presidents, 299, 412 (Editorials)
 patient, evaluation of oral function (Bosma), 578
 nasal imbalance and (Clements), 244, 329, 477
 pilot studies with *Macaca rhesus*, 198 (Abst.)
 practice; perspective (Anderson), 811
 profiles, Leigh C. Fairbank, 520
 stabilizing appliances, effectiveness against orthopedic forces produced by Milwaukee brace in scoliosis patients, 529 (Abst.)
 techniques, popular, fundamental reappraisal with collective approach toward appliance therapy (Fogel and Magill), 705

Orthodontic—Cont'd

- tipping of teeth in monkeys, investigation of deposition of alveolar bone, 198 (Abst.)
- tooth movement, use of parathyroid hormone to assist, 305 (Abst.)
- treatment, physiologic recovery following (Horowitz and Hixon), 1
- Orthodontic Education and Research Foundation, 104, 211, 539
- Orthodontics, anchorage (Higley), 791

 - 1969 research awards, 100
 - 1970 research awards, 206, 314, 434
 - sixty-three members in ADA House of Delegates, 417
- American Board of Orthodontics, 83, 99, 204, 311, 428, 539, 627
- American College of Dentists, Frank P. Bowyer elected president, 432
- American Dental Association acts on critical issues at 110th annual session, 625 and Fédération Dentaire Internationale schedule joint meeting in New York, 311
- Council on Dental Education and American Association of Dental Schools to cosponsor symposium on dental curricula, 104, 322, 436
 - student enrollment reaches new high, 323
 - meeting, AAO members active, 428
 - President Harry M. Klenda to address seventieth AAO session, 625
 - registration at New York meeting second largest on record, 626
 - sixty-three AAO members in House of Delegates, 417
- AMERICAN JOURNAL OF ORTHODONTICS expansion: Volume 56, Number 1, 86 (Editorial)
 - presentation of special issue in honor of Dr. Harvey Carlyle Pollock, Sr. (Salzmann), 187
- American Society of Dentistry for Children, H. Curtis Hester elected president, 632
 - sponsors pedodontic seminar, 101
- American Society of Oral Surgeons and American Association of Orthodontists announce joint conference on surgical orthodontics, 312, 430, 538, 631
- Appliance, edgewise, philosophy and technique (Ringenberg), 24
 - heavy labial arch, modified and with auxiliaries, as applied to Class II and Class II type malocclusions (Levin), 560
 - orthodontic, for treatment of newborn infants with clefts of lip and palate (Oliver), 468
- Arch form, dental, buccolingual muscle force and (Lear and Moorrees), 379
- Aspirin: action on receptor in tooth, 200 (Abst.)
- Australian Society of Orthodontists, 212

July, pp. 1-106; August, pp. 107-220; September, pp. 221-330; October, pp. 331-442; November, pp. 443-550; December, pp. 551-656.

B

- Bach, Ernest N., Memorial Award to Henry D. Cossitt, 216
- Begg technique, nonextraction treatment with (Barrer), 365
- Bicanine width, mandibular, relative to overbite (Hernandez), 455
- Blue Cross orthodontic plan proposed in New York, 545
- Bone remodeling induced by mechanical stress, mechanochemical hypothesis, 97 (Abst.)
- Bowyer, Frank P., elected president of American College of Dentists, 432

C

- Canadian Society of Orthodontists, 204
- Canines and premolars, mandibular, test for Panorex image distortion, 310 (Abst.)
- maxillary, bilateral transposition (Payne), 45
- palatally impacted, treatment (Johnston), 589
- Capsular matrix (Moss and Salentijn), 474
- Centric relation, occlusal interferences, 424 (Abst.)
- Cephalometric evaluation of 8-year-old Caucasians (Hirsch, Hall, and Bachand), 128
- landmarks; changes in relationship of nasion, point A, and point B and effect upon ANB (Taylor), 143
- Chapman, William T., receives Martin Dewey Memorial Award, 633
- Chicago Association of Orthodontists, 636
- Children; cephalometric evaluation of 8-year-old Caucasians (Hirsch, Hall, and Bachand), 128
- Chin problem from orthodontist's point of view (Berger), 516
- Clefts of lip and palate, construction of orthodontic appliances for treatment of newborn infants with (Oliver), 468
- unilateral, soft-tissue and skeletal asymmetry in normal subjects and subjects with, 529 (Abst.)
- palate symposium scheduled in March, 436, 636
- Collagen, effect of pressure on formation in periodontal ligament (Koumas and Matthews), 604
- Computerized geometric analysis of human dental arch form (Currier), 164
- Congreso Americano de las diagnacias, 215
- Cossitt, Henry D., receives first Ernest N. Bach Memorial Award, 216
- Cranial base and skeletal pattern in children with various endocrinopathies, 621 (Abst.)
- Craniofacial complex, inheritance, 533 (Abst.)
- growth; capsular matrix (Moss and Salentijn), 474
- Cross-bites, posterior, in deciduous and mixed dentitions (Kutin and Hawes), 491

D

- Dental and facial changes during and after Milwaukee brace therapy, 424 (Abst.)
- arch form, human, computerized geometric analysis (Currier), 164
- curricula symposium scheduled for November, 104, 322, 436
- manpower report released by National Institutes of Health, 544
- student enrollment reaches new high, 323
- Dentistry, current mutual concerns of HEW and (Black), 1
- Dentition, mandibular, tongue volume and (Bandy and Hunter), 134
- Dentofacial changes produced by extraoral cervical traction to maxilla of *Macaca mulatta*, 532 (Abst.)
- deformities, orthodontist's role in surgical correction (Mills), 266
- Denver Summer Meeting, 100
- Dewey, Martin, Memorial Award, 633
- Diagnosis: rote or reason (Zwemer), 53
- Distinguished Service Scroll, presentation to B. Edwin Erikson (Hahn), 190
- Dwarfs, hypophysial, measurement of total head growth during administration of human growth hormone to, 534 (Abst.)

E

- Edgewise appliance course in France, 212
- philosophy and technique (Ringenberg), 24
- courses announced in Spain, 542, 636
- Embryology, atlas of oral histology and, 201 (B. rev.)
- Enamel surfaces, stripped, protection with topical fluoride applications (Rogers and Wagner), 551
- Endocrinopathies, cranial base and skeletal pattern in children with various, 621 (Abst.)
- Erikson, B. Edwin, presentation of Distinguished Service Scroll to (Hahn), 190
- Estate management, lifetime gifts (Treloar, Heisel, and Thomalla), 180
- European Orthodontic Society, 629
- Extraction; longitudinal analysis of premolar enucleation (Weber), 394
- maxillary second molar, in Class II malocclusion (Grabner), 331
- serial; longitudinal analysis of premolar enucleation (Weber), 394
- sites, orthodontic retraction into recent and healed, oxytetracycline micro-fluorescent comparison, 307 (Abst.)

F

- Facial and dental changes during and after Milwaukee brace therapy, 424 (Abst.)
- form and growth, intrinsic, procedure for analysis (Enlow et al.), 6

Facial—Cont'd

- growth and remodeling in squirrel monkey, 95 (Abst.)
- similarities between parents and offspring, 425 (Abst.)
- Facing the crisis (Wilson), 221
- Fédération Dentaire Internationale, 99, 208 and American Dental Association schedule joint meeting in New York, 311
- orthodontics and, 420 (Editorial)
- First District Dental Society, 213
- Fluoride, topical applications for protection of stripped enamel surfaces (Rogers and Wagner), 551
- Force, buccolingual muscle, and dental arch form (Lear and Moorrees), 379
- continuous distal, application on maxillary first permanent molar, anatomic and cephalometric changes in *Macaca mulatta* after, 308 (Abst.)
- controlled light continuous (Ackerman et al.), 233
- orthodontic intrusive, on dog maxillary incisor with endodontic treatment and root resection, tissue response, 623 (Abst.)
- Functional matrices, doctrine (Scott), 38

G

- Generalist as coordinator of dental team (Stevens), 107
- Gingivectomy, increased stability of orthodontically rotated teeth following, in *Macaca nemestrina* (Boese), 273
- Golden Anniversary Luncheon, AAO honors thirty-seven members, 428
- address ("facing the crisis") (Wilson), 221
- Goldstein, Marvin C., receives award, 217
- Great Lakes Society of Orthodontists, 431
- Greater Miami Academy of Orthodontists, 540, 635
- Growth and development, postnatal, of cat palate (Bloore, Furstman, and Bernick), 505
- of mandible of cat (Schacter, Furstman, and Bernick), 354
- and remodeling, facial, in squirrel monkey, 95 (Abst.)
- changes, mandibular, induced by directionally applied orthodontic forces in *Macaca mulatta* monkeys, 531 (Abst.)
- facial form and, intrinsic, procedure for analysis (Enlow et al.), 6
- hormone, human, administration to hypophyseal dwarfs, measurement of total head growth during, 534 (Abst.)
- maxillary; norms of size and annual increments of seven anatomical measures of maxillae in boys from 3 to 16 years of age, 201 (Abst.)
- of nose as revealed by serial cephalometric roentgenography, 425 (Abst.)
- statistical evaluation (Chaconas), 403
- seminar sponsored by New-Conn orthodontic study group, 101, 215, 433

H

- Head growth, total, during administration of human growth hormone to hypophyseal dwarfs, 534 (Abst.)
- Hester, H. Curtis, elected president of American Society of Dentistry for Children, 632
- HEW and dentistry, current mutual concerns (Black), 1
- Hillenbrand, Harold, retires, 619 (Editorial)
- Hitchcock, H. Perry, on leave to University of Zurich, 321
- Howard University celebrates graduation of first class in orthodontics, 542

I

- In memoriam, Edmond B. Arnold, 93
- Harry Randolph Faulkner, 93
- Paulus Hofheinz, 93
- Francis M. Murray, 528
- John J. Scully, 527
- Ott L. Voigt, 527
- Clyde O. Wells, 527
- Indian Orthodontic Society, 643
- International Association of Dentistry for Children, 629

J

- Johnson twin arch technique; treatment of palatally impacted canine teeth (Johnston), 589

K

- Ketcham, Albert H., Memorial Award, presentation to Lowrie J. Porter and W. M. Krogman by Wilbur J. Prezzano, president of American Board of Orthodontics, 291, 539
- Koski, Kalevi, continuing research studies at Michigan growth center, 435

L

- Lactobacilli, oral, localized, effect of orthodontic banding, 203 (Abst.)
- Lancaster Cleft Palate Clinic sponsors training seminar, 207, 314

M

- Malocclusion, characteristics: modern approach to classification and diagnosis (Ackerman and Proffit), 443
- Class II and Class II type, heavy labial arch appliance, modified and with auxiliaries, as applied to (Levin), 560
- maxillary second molar extraction (Graber), 331
- Division 1; mandibular bicanine width relative to overbite (Hernandez), 455
- morphology of maxilla in children with, as compared to maxilla in children with Class I occlusion, 310 (Abst.)

- Malocclusion—Cont'd
indices, precision and bias of several, 534 (Abst.)
- Mandible, morphology of, study using Panorex radiographs, 309 (Abst.)
postnatal development in cat (Schacter, Furstman, and Bernick), 354
- Maxillae, anteroposterior movement with modified sutural expansion device, 530 (Abst.)
morphology in children with Class II, Division 1 malocclusion as compared to maxilla in children with Class I occlusion, 310 (Abst.)
norms of size and annual increments of seven anatomical measures in boys from 3 to 16 years of age, 201 (Abst.)
- Medical liability; more claims, higher awards, 199 (Abst.)
- MEDLARS (medical literature analysis and retrieval system), 202 (Abst.)
- Mesiodistal apical inclination of teeth, cephalometric study, 309 (Abst.)
- Middle Atlantic Society of Orthodontists, 215, 317, 630
- Midwestern Society of Orthodontists, 214, 318
- Milwaukee brace therapy, facial and dental changes during and after, 424 (Abst.)
- Missing boy, help sought in search for, 217
- Molar, maxillary first permanent, anatomic and cephalometric changes in *Macaca mulatta* after application of continuous distal force, 308 (Abst.)
second, extraction in Class II malocclusion (Graber), 331
- Moment-to-force ratio, translation of premolars in dog by controlling, on crown, 308 (Abst.)
- Mount Sinai Hospital offers residency in surgical orthodontics, 545, 636
- Muscle force, buccolingual, and dental arch form (Lear and Moorrees), 379
pattern, clinical diagnosis in orthodontic practice (Jacobs), 70
- Musculature, oral; doctrine of functional matrices (Scott), 38
- N
- Nasion, point A, and point B, changes in relationship and effect upon ANB (Taylor), 143
- National Institutes of Health, report on dental manpower, 544
- New-Conn Orthodontic Study Group sponsors growth seminar, 101, 215, 433
- New Jersey Association of Orthodontists, 433
- New Jersey College of Medicine and Dentistry announces advanced orthodontic training program, 104
- News and comment, 99, 204, 311, 427, 536, 625
- Nippon Dental College, 212
- Norms of size and annual increments of seven anatomical measures of maxillae in boys from 3 to 16 years of age, 201 (Abst.)

- Northeastern Society of Orthodontists, 101, 431
- Northwestern orthodontic alumni honor Charles H. Tweed, 211
- Nose growth, statistical evaluation (Chaconas), 403
human, growth as revealed by serial cephalometric roentgenography, 425 (Abst.)

O

- Occlusal interferences in centric relation, 424 (Abst.)
- Officers of orthodontic organizations, 106, 220, 330, 442, 550, 644
- Open-bite, anterior, and deep overbite, skeletal factors (Richardson), 114
- Oral histology and embryology, atlas of, 201 (B. rev.)
- Orthodontic appliances (See Appliances)
banding, effect on localized oral lactobacilli, 203 (Abst.)
forces, directionally applied, mandibular growth changes induced by, in *Macaca mulatta* monkeys, 531 (Abst.)
intrusive, on dog maxillary incisor with endodontic treatment and root resection, tissue response, 623 (Abst.)
plastic attachments, adhesion and (Newman), 573
practice, advantages of incorporation (Herzog), 613
retraction into recent and healed extraction sites, oxytetracycline micro-fluorescent comparison, 307 (Abst.)
technique, controlled light continuous force (Ackerman et al.), 233
- Orthodontic Education and Research Foundation pledges endowed professorship, 100
- Orthodontics and Fédération Dentaire Internationale, 420 (Editorial)
- and Truth in Lending Act, 298
- continuing education courses sponsored by universities, 104, 217, 324, 436, 545, 637
- profession or specialty, 305 (Guest editorial)
- surgical, 196 (Editorial)
- residency at Mount Sinai Hospital, 545, 636
theme of joint AAO-ASOS conference, 312, 538, 631
- Orthodontist's role in surgical correction of dentofacial deformities (Mills), 266
- Overbite, deep, and anterior open-bite, skeletal factors (Richardson), 114
mandibular bicanine width relative to (Hernandez), 455
- Oxytetracycline micro-fluorescent comparison of orthodontic retraction into recent and healed extraction sites, 307 (Abst.)

P

- Pacific Coast Society of Orthodontists, 207, 541

- Palate, cat, postnatal development (Bloore, Furstman, and Bernick), 505
closure, role of motor innervation of fetal rat tongue, 531 (Abst.)
- Panoramic radiography, limitations, 98 (Abst.)
- Panoramix, anatomic structures as visualized on, 98 (Abst.)
- Panorex image distortion of mandibular canines and premolars, test for, 310 (Abst.)
radiographs in study of morphology of mandible, 309 (Abst.)
- Parrot, Colonel George H., Jr., honored by Army, 433
- Patients, orthodontic; management of transfer cases (Rathbone and Reynolds), 252
- Periodontal ligament, effect of pressure on formation of collagen in (Koumas and Matthews), 604
status of autografted teeth, 198 (Abst.)
- Points A and B and nasion, changes in relationship and effect upon ANB (Taylor), 143
- Pollock, Dr. Harvey Carlyle, Sr., presentation of special issue of AMERICAN JOURNAL OF ORTHODONTICS (Salzmann), 187
- Practice announcements, 105, 219, 329, 441, 549, 642
orthodontic, advantages of incorporation (Herzog), 613
- Premolars and canines, mandibular, test for Panorex image distortion, 310 (Abst.)
maxillary, bilateral transposition (Payne), 45
enucleation, longitudinal analysis (Weber), 394
translation in dog by controlling moment-to-force ratio on crown, 308 (Abst.)
- Prepayment, answer to increased dental care? 303 (Editorial)
- Blue Cross orthodontic plan proposed in New York, 545
- programs, orthodontic treatment problems under, 525 (Editorial)
- Pressure, effect on formation of collagen in periodontal ligament (Koumas and Matthews), 604
- Public relations; professional man's image, 523 (Editorial)
- R
- Radiography, panoramic, limitations, 98 (Abst.)
- Revere, Paul: dentist and patriot, 205
- Rocky Mountain Society of Orthodontists, 214, 318
- S
- Saint Louis University, Orthodontic Education and Research Foundation pledges endowed professorship, 100
- Scoliosis; study of facial and dental changes during and after Milwaukee brace therapy, 424 (Abst.)
- Sigma Xi announces research award, 320
- Skeletal factors in anterior open-bite and deep overbite (Richardson), 114
pattern and cranial base in children with various endocrinopathies, 621 (Abst.)
- Southern Society of Orthodontists, 319, 432
- Southwestern orthodontics in profile, 103
- Southwestern Society of Orthodontists, 209, 319
- Spanish Society of Orthodontics, 100, 214
AAO members invited to attend meeting, 628
seven Americans on program, 319
- Specialization; generalist as coordinator of dental team (Stevens), 107
- Surgical correction of dentofacial deformities, orthodontist's role (Mills), 266
orthodontics, 196 (Editorial)
theme of joint AAO-ASOS conference, 312, 538, 631
- Sutural expansion device, modified, for anteroposterior movement of maxillae, 530 (Abst.)
- T
- Taxes, estate; lifetime gifts in estate management (Treloar, Heisel, and Thomalla), 180
- Teacher shortage remains critical, 323
- Teeth (*See also* specific teeth)
action of aspirin on receptor in, 200 (Abst.)
autografted, periodontal status, 198 (Abst.)
deciduous, and permanent successors, comparison, 198 (Abst.)
formation and eruption in miniature pig, 622 (Abst.)
mesiodistal axial inclinations, cephalometric study, 309 (Abst.)
orthodontically rotated, increased stability following gingivectomy in *Macaca nemestrina* (Boese), 273
protection of stripped enamel surfaces with topical fluoride applications (Rogers and Wagner), 551
- Temporomandibular joint, human, postnatal development, 96 (Abst.)
- Tissue response to orthodontic intrusive force on dog maxillary incisor with endodontic treatment and root resection, 623 (Abst.)
- Tongue, fetal rat, motor innervation of, 531 (Abst.)
thrust in preschool children (Hanson, Barnard, and Case), 60
volume and mandibular dentition (Bandy and Hunter), 134
- Traction, extraoral cervical, to maxilla of *Macaca mulatta*, dentofacial changes produced by, 532 (Abst.)
- Transfer cases, management (Rathbone and Reynolds), 252
- Transposition, bilateral, of maxillary canines and premolars (Payne), 45

Treatment, nonextraction, with Begg technique (Barrer), 365
 Truth in Lending Act, orthodontics and, 298
 Tweed, Charles H., honored by Northwestern orthodontic alumni, 211
 Tweed, Charles H., Foundation for Orthodontics, 102, 212, 635

U

University of Chicago announces new graduate orthodontic program, 322
 University of Illinois sponsors temporomandibular joint conference, 212
 University of Missouri schedules tenth annual orthodontic seminar in Phoenix, 540
 University of Montreal, Canada, 104
 University of Washington announces teacher-training program, 637

V

Van der Linden, Frans, named visiting professor at University of Michigan, 322
 Virginia State Orthodontic Society, 321

W

Wisconsin Society of Orthodontists, 214
 Wylie, Wendell L., Memorial Lecture, 313, 431, 540

X

X-ray records, importance of saving (Parker), 597
